Machinery, &c.

A NEW THING ENTIRELY—The most astonishing performance heard of. Barrels, Firkins, Kegs, and the whole coper family made and finished, without a defect, air-tight, and smooth exough to varnish, entirely by Machinery.

Our Machine, with the tools used to perform the work, is a patent, for which we have received Gold and Silver Medals and State Diploma. It takes the timber in the bolt, saw, the stave holilowing in the grain, cuts them all of equal length, planes both in and outside perfectly smooth, tries the quality of the timber, joints them in a perfect manner, giving each stave its equal proportion of high, according to its width, be it wide or marrow; clasmifers howels, cuts the crease, turns the head, and prepares the barrel or keg for the boording process, in a manner so perfect, complete, and of superior finish that we challenge the World to produce a better barrel, firkin or keg, than our Machines make, at the rate of fact per day to the single set—to which we invite the particular attention of all who choose to give them inspection. We manufacture articles of the barrel family from the smallest white lead keg to the largest cask in general use, all of which can be warranted to hold the most entitle liquids, or he sdapted to the packing of dry goods. In fact the mechines cannot make an imperfect article except the defect is exclosively in the timber.

OFFICE OF THE NORTH RIVER MINING AND QUARRYING Co., No. 30 Wall-st., New-York, March 31, 1833.

THE NORTH RIVER MINING and QUARRYING COMPANY having commenced work with a large force of men upon their various quarries, will be prepared to deliver, upon the opening of the Northern Canal, the various colors and qualities of their men Marbles, in blocks squared in the Italian style. Among these marbles will be found a great variety of lancy stades upon winte ground, ordinarily known as the Italian veined marble. Also, a pure white, equal in color, taxture, and working qualities to the Italian statuary marble, and a bleck marble fully equal, and in many respects superior to the Irish. From time to time, as other extensive quarries belonging to the Company are opened, the variety of styles will be greately increased.

Steatte or Sospatone will be offered in blocks. A superior quality of pure white line will be manufactured in large quantities.

Samples of the products of the Company may be seen at this office, or at the warehouse of Mears. ANTHONY, LAWRENCE & Co., No. 149 Pearlst, who are appointed the sole Agents for the sale of all the productions of the Company, and to whom dealers are increasy referred Out marbles will be warranted to cut up equal to the samples exhibited TEHE MAGNETIC TELEGRAPH.—New-York Of-

THE MAGNETIC TELEGRAPH.—New-York Ofhees-corner of Hanover and Beaver-sta, and No. 203 Broadway,
below Fulton-st.—The Magnetic Telegraph Company, for the purpose
of the further accommodation of the public, to keep pace with the
rapidly increasing Telegraphic business, and enable anest accusts to dispatch with promptness all messages that may be offered, have, at a
heavy expensitive, now completed and in active operation two separate and distinct lines of poles and Telegraphic wires, extending from
New-York to the City of Washington. One by the railroad route, with
five wires from New York to Philadelphis, and four wires from Philadelphia to Baltimore and Washington; by the other line, along the
turnpike roads, there are two wires the whole distance, and the Company have stations at Wilmington, Trenton, New-Brunswick, Princeton, Newark, Jersey City, Havre de Grace, Port Deposits and Newliops.

ton, Newark, Jersey City, Havre de Grace, Fort Deposite and Action.

Hope.

With seven wires, as above, and regulations to insure prompt delivery, this Company affords to persons disposed to avail themselves of the use and advantage of this rapidonede of communicating with personal or business frends in distant cities, an extent of means for promptime unsqualed by any other line in this country.

Telegraphing, but recently an experiment, has become a systematic and reliable medium, of business, and the amount of thousands upon thousands of dollars is now daily transacted through its spency.
